

## Designer Boxers

### Class Supplies:

- **First Choice Boxer Pattern** - NO substitutions, please. Multi-sized pattern for both adults and children available at BCS. Either can be used.
- Sewing Machine and all of its supplies
- Cotton fabric for desired size. See pattern envelope for amounts and further suggestions. Calicos, oxford cloth, flannel, broadcloth and poly/cotton blends work well.
- Mettle Polyester all purpose sewing thread to match fabric
- Sew-through sport elastic - 1 ½" for adult size, 1 ¼" for children size
- Sewing scissors
- Pins
- Machine press feet #1 (or #0), or #13 (preferred)
- Size #70 or #80 sewing machine needles, depending on fabric choice
- Wash away fine tipped marker

### Before Class:

- Pre-wash and press fabric
- Trace pattern onto tissue or pattern tracing material.
- Cut out boxers in the desired size - see pattern for cutting layout.  
NOTE: it is easier to cut out boxers with fabric right sides together. This will make it easier to mark boxers for sewing. Please bring boxers to class completely cut out with pattern securely pinned to all pieces.

If you have any questions, please feel free to **call** before coming to class
